1. Claims 1-46 are allowed.
2. The following is an examiner's statement of reasons for allowance: applicant's amendment and arguments of 12/15/05 are sufficient to overcome the previous rejection. More specifically, the prior art of record fails to teach or fairly suggest to one of ordinary skill, in conjunction with all the other limitations of the independent claims as they are specifically recited, verifying a DNA sample in order to facilitate a payment transaction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
